All of our employees wear photo ID badges. Always ask for an employee's ID before letting anyone in your home. If you are still not sure, please call the company.

For a detailed explanation of how to read your bill, visit [www.firstenergycorp.com/PEBill](http://www.firstenergycorp.com/PEBill)

The EmPOWER MD charge funds programs that can help you reduce your energy consumption and save you money. For more information, including how to participate, go to: [www.energysavemd.com](http://www.energysavemd.com).

For your safety, if your service has been disconnected, do not attempt to reconnect it. While this is illegal and could result in prosecution, removing a meter base or touching any of the wires can also cause death or serious injury through arcs of electricity, explosions or fire. Meters are only to be accessed by authorized utility personnel.

An important message to dog owners - to ensure that our meter readers' visits to your home are safe and productive, please keep your dog secured in an area away from the path to your meter.

Explanation of Terms

**Base Charge** - Charge for services necessary for the delivery of electric service, including generation, transmission and distribution.

**Customer Distribution Charge** - Fixed charge for meter reading, billing, service line maintenance and equipment.

**Estimated Reading** - On the months we do not read a meter, we calculate the bill based on past electrical usage.

**Generation Charge** - Charge for the production of electricity.

**KWH (Kilowatt Hour)** - A unit of measure for electricity usage equal to 1,000 watts used for one hour.

**Distribution Charge** - Variable charge for the cost of using local wires, transformers, substations and other equipment needed to deliver electricity to a premise.

**Late Payment Charge** - A charge added to the bill on balances owed after the Due Date.

**Non-Basic Charges** - Charges for services not required for the delivery of electric service.

**Prorated Reading** - Reading calculated by multiplying the daily average electric usage between two recent readings by the number of days in the billing period.

**Transmission Charge** - Charges for moving high voltage electricity from a generation facility to our distribution lines.
